Butterfly Fly Away

Miley Cyrus & Billy Ray Cyrus

You tucked me in
Turn out the light
Kept me safe
And sound at night
Little girls depend on things like that

Brushed my teeth
And combed my hair
Had to drive me everywhere
You were always there when I looked back

You had to do it all alone
Make a live
And make a hope
Must of been as hard as it could´ve be

And when I couldn´t sleep at night
Scared things wouldn´t turn out right
You were there to hold my hand
And sing to me

Caterpillar in the tree
How you wonder who you'll be
Can't go far
But you can always dream

Wish you may and wish you might
Don't you worry
Hold on tight
I Promise you
There will come a day
Butterfly fly away

Butterfly fly away
Butterfly fly away

Got you're wings
Now you can stay
Take those dreams

And you can make them all come true

Butterfly fly away
Butterfly fly away

You've been waiting for this day
All along you know just what to do

Butterfly
Butterfly
Butterfly

Butterfly fly away
Butterfly fly away
Butterfly fly away
