Feel like letting go  
Oh oh oh ohAye yo Sean, you Mister Kingston  
You say you have it, Louie it, and then some  
Look how you gwan on in all your ice  
You pretty and you nice  
You done know Nicki ah ya wife  
But true say, I be up where you stay  
I ain't like them other bitches that be actin' loosely  
Know you gettin' hype, I know you wanna get up in it  
But I just want to think about it for another minute  
I think I like your style y'all  
Why y'all, why don't we let go  
Aye yo and I ain't gotta tell 'em  
And I ain't gotta sell 'em  
It's y-s-l daddy  
I ain't gotta spell it  
And yes, I killa kill 'em  
I guess I am the villain  
I park on the curb,  
I'm the owner of the building, the building  
Ya deaf?  
Boy me soon left  
Come get this playboy bunny like Hugh Heph, sigh  
Rastafari'  
Dutty dutty d-d-d-duttyWhat if you would just come right out of these clothes  
You can finally feel the wind when it blows  
Don't be scared to be free to let go, show it off  
Feel like letting go

Oh oh oh ohFeel like letting go
