

Closer Now

Stereomud

What's the matter with you?
Can't you face me?
I can't imagine the things that you're thinking
Never mind your apologies, come
Are we closer now?
Wait
You're nothing but a trick
With your selfish ways
You're nothing but a trick
And I'll see you fade
Wait
You're nothing but a trick
With your selfish ways
You're nothing but a trick
And I'll see you fade
Closer
Are we closer now?
What's the problem now?
Do you hate me?
I can't imagine the way that you're feeling
So much animosity, come
Are we closer now?
Wait
You're nothing but a trick
With your selfish ways
You're nothing but a trick
And I'll see you fade
Wait
You're nothing but a trick
With your selfish ways
You're nothing but a trick
And I'll see you fade
Are we closer now?
Wait
You're nothing but a trick
With your selfish ways
You're nothing but a trick
And I'll see you fade
Wait

You're nothing but a trick
With your selfish ways
You're nothing but a trick
And I'll see you fade
You're nothing but a trick
You're nothing but a trick
Are we closer now?
