

Wait

Pepper

Maybe you like to get high, or maybe you just wanna get by
Maybe you stay up all night cause you don't wanna be here no more
If your love was an ocean I'd dive right in, if your love was the beach I'd lay in the sand
If you were the sun I'd be so tan, if you'd stay the night I'd be your man Wait, I don't wanna wait, I don't wanna
wait for this moment to come
She said wait, I don't wanna wait, were not playing games only meant for the young Sometimes you drink too
much and sometimes you need a little luck
Sometimes it's just not enough, 'cause you don't wanna be his no more
If your love was a party I'd dance all night, if your love was a shot I wouldn't need lime
If you were the moon I'd watch you shine and if you weren't his, baby, you'd be mine Wait, I don't wanna wait,
I don't wanna wait for this moment to come
She said wait, I don't wanna wait, were not playing games only meant for the young I don't wanna wait no more
I don't wanna wait no more Wait, I don't wanna wait, I don't wanna wait, for this moment to come
She said wait, I don't wanna wait, were not playing games only meant for the young
Cause I don't wanna I don't wanna I don't wanna I don't wanna I don't wanna wait no more
I don't wanna I don't wanna I don't wanna I don't wanna I don't wanna wait no more
I don't wanna wait no more
I don't wanna wait no more
Cause I don't wanna I don't wanna I don't wanna I don't wanna I don't wanna wait no more
I don't wanna I don't wanna I don't wanna I don't wanna I don't wanna wait no more
I don't wanna I don't wanna I don't wanna I don't wanna I don't wanna wait no more
