Restored

Sunchase

VERSE:
I'm restored
And I've been rewarded
I'm redeemed
From guilt and shame
Never rejected
Just reconnected
Now I'm exalted
Because I know his name
(REPEAT)
Chorus:
It's done (it's all over)
It's done (you better believe it)
It's done (God said it)
It's done
Whoa oh
I'm healed
And revealed
And restored
VAMP:
Yes I am (Yes I am)
Yes I am (Yes I am)
Yes I am (Yes I am)
(REPEAT)
VERSE (REPEAT)
(If you believe it say it's done)
It's done (Oh I believe it in my heart)
It's done (the struggle is over)
It's done (and I don't care what they say)
It's done (God said it)
Whoa oh
I'm healed
And rebuilt
Restored
Whoa oh
I'm healed
And rebuilt

And restored

Anybody restored
VAMP (Background still sing vamp, while lead sing this)
I know I am
Restored
Rebuilt
I'm healed
And delivered
I'm changed
And rearranged
Anointed
Appointed
I'm free
From the rumors
From bondage
Yes I am
Released
From shackles
And loosed
From chains
I'm bigger
And I'm smarter
And I'm covered
Under the blood
I'm ready
I'm ready
For new levels
To go higher
Victorious
Victorious
Victorious
Yeah
Recommitted
Rededicated
Reconnected
And protected
From danger
From danger
I'm a winner
I'm a winner
