

The Man Who Has Everything

Mr. Big

We were golden and I took it all for granted
And I made it all convincing for a while
The curse is I miss you and it stalks me like a shadow
Not a single day I don't replay the last night together Love will always be something that's missing
Yeah, you are the only dream I can't seem to hold on to
I'm the man who has everything
But nothing at all till I have you What was I thinking?
Driven by some grand illusion
Losing everything I wanted to be free, yeah
My heart is heavy and I brave my way around it
And justify the leaving
but I don't believe me Love will always be something that's missing
Baby, you are the only dream I can't seem to hold on to
I'm the man who has everything
But nothing at all till I have you
I have you oh ooh woh I regret you
I can't forget you
I turned my back on something beautiful
Baby, Love will always be something that's missing
Oh-oh, you are my saving grace
and I pray to fall
I'm the man who has everything
But nothing at all
Oh, nothing at all
Till I
Yeah I
Have you
Hoo ooh
