Happy for the First Time

No Fun At All

For the first time in my life
For the first time in my life
I'm really happy
Life ain't so bad
For the first time in my life
For the first time in my life
I'm really happy
Wanna sayAin't nothing gonna bring me down
Ain't nothing gonna bring me downFor the first time in my life
For the first time in my life
I'm really happy
You make me glad
For the first time in my life
For the first time in my life
I'm really happy
Feeling greatNever thought I'd meet someone like you
And I can't think of anything else
