

Yall Must've Forgot

Roy Jones Jr.

Everybody
Get on your feet
Right now for Roy Jones Jr.
The best pound for pound fighter in the world
Whoever don't agree
You know what, I guess
Ya'll Must've Forgot
When they stole my gold medals in Seoul, Korea
That's lookin back at my whole career
Cause, Ya'll Must've Forgot
The best pound for pound is mine
Hit Percy Harris with 4 hooks at one time
Ya'll Must've Forgot
When I beat Bernard Hopkins and won the IBF
The right was hurt beat him with the left
Ya'll Must've Forgot
You remember the left hook that James Tony got?
Sucker move I stole from a game cock
Ya'll Must've Forgot
Will there ever be another Roy Jones?, probly not
Stopped Virgil Hill with a body shot
Ya'll Must've Forgot
I got disqualified in March of 97
After giving a whooping to Montell Griffin
Late hit, my title, they had to take it
(Why) I guess that's the only way I could lose
5 months later, rematch, I needs my crown
1st round, 1 punch and he sat down
Don't get me mad cause I'm amped already
Took titles from fighters who was champs already
The heart and soul of boxing on HBO
What these other fighters take me for, A Joke?
Ya'll Must've Forgot
And they got the nerve to say I ain't fight nobody
I just make'em look like nobody
Ya'll Must've Forgot
And David Telesco he really asked for it
So I beat him with a fractured wrist
Ya'll Must've Forgot

(Remember that)
In the ring I BOX, there is none higher
When I use these they call me SIRE
To burn my kingdome I must lose FIRE
And I wont stop boxing till' I retire
I'm Roy
Ya'll Must've Forgot (x2)
When I beat Reggie Johnson
And took his Light-Heavyweight title from him
Ya'll Must've Forgot
That I'm nice with these
Ya'll Must've Forgot
This is what I do
We could go on and on
Mike McCallum, Vinnie Pazienza
Ya'll Must've Forgot (x3)
