

Loneliness (Tillman Uhrmacher Remix)

Tomcraft

Happiness and loneliness
Happiness and loneliness
Happiness and loneliness
Happiness and loneliness
Happiness and lonelinessHappiness seems to be loneliness
And loneliness killed my world
How could you guess
When you're only thinking of yourself
How you looked at other girlsHappiness seems to be loneliness
And loneliness killed my world
How could you guess
When you're only thinking of yourself
How you looked at other girlsHappiness seems to be loneliness
And loneliness killed my world
How could you guess
When you're only thinking of yourself
How you looked at other girlsHappiness and loneliness
Happiness and lonelinessHappiness seems to be loneliness
And loneliness killed my world
How could you guess
When you're only thinking of yourself
How you looked at other girlsHappiness seems to be loneliness
And loneliness killed my world
How could you guess
When you're only thinking of yourself
How you looked at other girlsHappiness seems to be loneliness
And loneliness killed my world
Happiness seems to be loneliness
And loneliness killed my world
Happiness seems to be loneliness
And loneliness killed my world
Happiness seems to be loneliness
And loneliness killed my world
