

# Animal

## Anti-Nowhere League

Hello Mrs Shaw  
Could I borrow your lawnmower?(Unintelligible) Up your body!  
Why? Why me?  
Why am I so lonely?I'm an animal  
I'm a sexual pervert, an animal  
A living abortion  
I'm an animal, nobody's hero  
An animal, I'm your next door neighbourEverybody hates me  
Why am I so ugly?I'm an animal  
I'm a sexual pervert, an animal  
I'm a living abortion  
I'm an animal, I'm nobody's hero  
I'm an animal, I'm your next door neighbourEverybody scorns me  
My wife - she doesn't know meI'm an animal  
I'm an animal  
I'm an animal  
I'm an animal, I'm your next door neighbourEverybody shuns me  
Why am I so dirty?I dream of naked ladies leaping over me  
I like peeping through holes in public lavatories  
Domineering women in thigh-high boots  
Tying me up, whipping me!Somebody help me!  
I've lost my sanityI'm an animal  
I'm a sexual pervert, an animal  
I'm a living abortion  
I'm an animal, I'm nobody's hero  
I'm an animal, I'm your next door neighbourNo sex for me!  
You, you made me  
You scorned my body  
You degraded me  
You twisted my mind  
You made me unkind  
You fed on my cravings  
You persecuted me  
You don't understand  
You!
