

Sidewalk Safari

Chairlift

All of the bones in your body
Are in way too few pieces for me
Time to do something about it
If you know what I mean I'm on a sidewalk safari
If I see you on the street you'd better run
Away from my all terrain weapon
In your direction In your direction
In your direction
In your direction I'm on a sidewalk safari
If I see you on the street you'd better run
You should have taken a taxi
In your direction 'Cause I'm gonna run you down
In your direction
I'm gonna hunt you down
In your direction I'm gonna run you down
In your direction
I'm gonna hunt you down
In your direction Mmm I'm bad with bows and arrows
I'm not so good at guns
Poison seems old-fashioned
And hired help's no fun
But I do know how to drive a car
Faster than a man can run 'Cause I'm gonna run you down
In your direction
I'm gonna hunt you down
In your direction I'm gonna run you down
In your direction
I'm gonna hunt you down
In your direction
