

# Moonshiner

## Cat Power

I've been a moonshiner  
For seventeen long years  
I spent all my money  
On whisky and beer I go to some hollow  
And set up my holy, holy still  
If drinking do not kill me  
Then I don't know what will I go to some bar room  
And drink with my friends  
See if women and men would come to follow  
To see what I might spend God bless them handsome men  
I wish they was mine  
Their breath is as sweet as  
The dew on the holy, holy vine You're already in hell, you're already in hell  
I wish we could go to hell  
When the bottle gets empty  
And life ain't worth the drown
