

The Big Kiss

Thereza Bazar

I haven't seen you since the big kiss

I was watching you walk like you knew what I wanted
All the girls were in shock, you know what you started

I'm playing with a loaded gun even though I wanted to run
I had to figure you out
'Cos something triggered the doubt in me

I haven't seen you since the big kiss
Was it bliss, or just a clever lie
I haven't seen you since the big kiss
Will I ever get another try

I've been waiting at home but I hear that there's trouble
My friends call me up just to burst my bubble (oh)

I'd really like to say it ain't so but I have to shake my head 'cos I know
I could be living it up
But you're not giving it up to me

I haven't seen you since the big kiss
Was it bliss, or just a clever lie
I haven't seen you since the big kiss
Will I ever get another try

I haven't seen you since the big kiss
Was it bliss, or just a clever lie
I haven't seen you since the big kiss
Will I ever get another try

I'd really like to say it ain't so but I have to shake my head 'cos I know
I could be living it up
But you're not giving it up to me

I haven't seen you since the big kiss
Was it bliss, or just a clever lie
I haven't seen you since the big kiss
Will I ever get another try

Another try, another try, another try
Big k-kiss
Big kiss
K-kiss
Will I, will I, will I, will I

Big kiss
Was it bliss, or just a clever lie
I haven't seen you since the big kiss
Will I ever get another try

I haven't seen you since the big kiss
Was it bliss, or just a clever lie
I haven't seen you since the big kiss
Will I ever get another try

Another try
I haven't seen you

You're just another guy

I haven't seen you since the big kiss
Will I ever get another try
Another try, another try
