Burn For You

John Farnham

Got myself into some trouble tonight
Guess I'm just feelin' blue
It's been so long since I've seen your face
This distance between me and you
That voice you showed me is not the one that I know
I must be strung out on what I do
Don't hang up again
There's nothing else I know how to do
But I burn for you
What am I gonna do?
Burn for you
I guess it feels like you're always alone
And I feel that way too
It's so hard to explain to you
Please understand what I do
I burn for you
What am I gonna do?
I burn for you, burn for you
Took my trouble to a bar tonight
For another point of view
But there's nothing new, I'm missing you
I burn for you
What am I gonna do?
Burn for you, burn for you
Oh, I burn for you
What am I gonna do?
I burn for you
Burn for you
What am I gonna do?
I burn for you, burn for you
Burn for you
