

Give It to Me

The J. Geils Band

You've got to give it to me
You've got to give it to me
You've got to give it to me
You've got to give it to me You're so slick now, know every trick now
You know I want it, I want it so bad
You know I need it, I can't believe it
So come on baby, please relieve it You've got to give it to me
You've got to give it to me
You've got to give it to me
You've got to give it to me Now you've been bugging me, every night now
You say you want it, you want it right now
I can't get to it, I can't get through it
So come on baby, please You've got to get it up
(Give it up)
Come on you've got to get it up
(Give it up)
You've got to get it up
(Give it up)
You've got to get it up
(Give it up) You've got to give it to me
You've got to give it to me
You've got to give it to me
You've got to give it to me Why keep me cold
When it's so warm inside
Come on baby
Your love is too good to hide
