Sibirian Pandemonium

Love Like Blood

FIRE SOMEWHERE AT SOME PLACE DEEP IN OUR PLANET EARTH
WE FOUND ONE OF THE HELLS GATE WHICH LET MY BLOOD CONGEAL
I KNOW THEY WILL NOT LIKE THOSE UNUSUAL WORDS - TO HEAR
WHICH WILL REACH JUST TO THE LARD OF THEIR EARS
RESEARCHERS TELLING A LOT THINGS - TELL ME AM I NOW DERANGED?
IMPORTANT IS ONLY OUR EVIDENCE
THEY SAID I'D NEED SOME GOOD ANGELMY ANGEL DON'T FORGET ME HERE
MY ANGEL DON'T LEAVE ME HEREI'VE LOST ANOTHER RELATION IS THAT REALLY ALL AGAIN
WHAT A SUCKING BUSINESS AND SITUATION WE FIND OURSELVES IN
WITH THE CHEMICAL STEAM BENZOL FOR OUR SLOW AND SILENT DEATH
WITH THE DAMNED OZEANHOLE THAT WILL STEAL US OUR BREATHMY ANGEL DON'T FORGET ME HERE
MY ANGEL DON'T LEAVE ME HERE... I THOUGHT LISTENING SPEECHLESS
SCREAMING VOICES FROM THE DEEPNESS
FROM THE SIBERIAN PANDEMONIUMMY ANGEL DON'T FORGET ME HERE
MY ANGEL DON'T LEAVE ME HERESIBERIAN PANDEMONIUM
