

# Rise Above

## Kaya Project

Jealous cowards try to control

    rise above

we're gonna rise above

they distort what we say

    rise above

we're gonna rise above

try and stop what we do

    rise above

we're gonna rise above

when they can't do it themselves

    rise above

we're gonna rise above

we are tired of your abuse

try to stop us it's no use

society's arms of control

    rise above

we're gonna rise above

    think they're smart

can't think for themselves

    rise above

we're gonna rise above

    laugh at us

    behind our backs

    rise above

we're gonna rise above

    I find satisfaction

    in what they lack

    rise above

we're gonna rise above

we are tired of your abuse

try to stop us it's no use

we are tired of your abuse

try to stop us it's no use

we were born with a chance

    rise above

we're gonna rise above  
I am gonna have my chance  
rise above  
we're gonna rise above

we were born with a chance  
rise above  
we're gonna rise above  
I am gonna have my chance  
rise  
rise  
rise above  
rise above  
rise above  
rise above  
rise above
