## **Seasons In The Abyss**

## **Slayer**

Razors edge

Outlines the dead

Incisions in my head

Anticipation, the stimulation

To kill the exhilarationClose your eyes

Look deep in your soul

Step outside yourself a

And let your mind go

Frozen eyes stare deep in your mind as you dieClose your eyes

And forget your name

Step outside yourself

And let your thoughts drain

As you go insane, go insaneInnate seed

To watch you bleed

A demanding physical need

Desecrated eviscerated

Time perpetuatedClose your eyes

Look deep in your soul

Step outside yourself

And let your mind go

Frozen eyes stare deep in your mind as you dieClose your eyes

And forget your name

Step outside yourself

And let your thoughts drain

As you go insane, go insaneInert flesh

A bloody tomb

A decorated splatter brightens the room

An execution a sadist ritual

Mad intervals of mind residualsClose your eyes

Look deep in your soul

Step outside yourself

And let your mind go

Frozen eyes stare deep in your mind as you dieClose your eyes

And forget your name

Step outside yourself

And let your thoughts drain

As you go insane, go insane
