

# The Way (feat. Mac Miller) [Sidney Samson Remix]

## Ariana Grande

What we gotta do right here is go back, back to the top. I love the way you make me feel  
I love it, I love it  
I love the way you make me feel  
I love it, I love it Say, I'm thinking 'bout her every second, every hour  
Do my singing in the shower  
Picking petals off the flowers like  
Do she love me, do she love me not? (love me not)  
I ain't a player, I just crush a lot (crush a lot) You give me that kind of something  
Want it all the time, need it everyday  
On a scale of one to ten I'm at 100  
Never get enough, I can't stay away If you want it, I got it, I got it everyday  
You can get whatever you need from me  
Stay by your side, I'll never leave you  
And I ain't going nowhere 'cause you're a keeper So don't you worry, baby, you got me I got a bad boy, I must  
admit it  
You got my heart, don't know how you did it  
And I don't care who sees it babe  
I don't wanna hide the way I feel when you're next to me I love the way (you make me feel)  
I love the way (I love it)  
Baby, I love the way (you make me feel)  
Ooh, I love the way (I love it) the way you love me Oh, it's so crazy you get my heart jumping  
When you put your lips on mine  
And honey it ain't a question (question)  
Cause boy I know just what you like So If you need it, I got it, I got it everyday  
Be your lover, your friend, you'll find it all in me  
Stay by your side, I'll never leave you  
And I ain't going nowhere 'cause you're a keeper So don't you worry, baby, you got me I got a bad boy, I must  
admit it  
You got my heart, don't know how you did it  
And I don't care who sees it babe  
I don't wanna hide the way I feel when you're next to me I love the way (you make me feel)  
I love the way (I love it)  
Baby, I love the way (you make me feel)  
Ooh, I love the way (I love it) the way I love you Uh, I make you feel so fine, I make you feel so fine  
I hope you hit me on my celly when I sneak in your mind  
You're a princess to the public, but a freak when it's time  
Said your bed be feeling lonely, so you're sleeping in mine.  
You come and watch a movie with me,  
American Beauty or Bruce Almighty that's groovy,

Just come and move closer to me, I got some feelings for you,  
I'm not gonna get bored of, but baby you're an adventure  
So please let me come explore you So don't you worry, baby you got me I got a bad boy, I must admit it  
You got my heart, don't know how you did it  
And I don't care who sees it babe  
I don't wanna hide the way I feel when you're next to me I love the way (you make me feel)  
I love the way (I love it)  
Baby, I love the way (you make me feel)  
I love the way (I love it) I love the way (you make me feel)  
I love the way (I love it)  
Baby, I love the way (you make me feel)  
I love the way (I love it) The way I love you  
The way I love you, you, you, yeah I love the way you make me feel  
I love it, I love it  
I love the way you make me feel  
I love it  
The way I love you
