Teach Me To Kill

Slapshot

Hit me dad, hit me again, hit me with all your might
I can take it, hit me hard, and I won't put up a fight
12 years of your abuse has turned me into a killing machine
I beat my wife, I beat my kids, I'm teaching them what they needTeach me to kill, teach me with every beating I receive
Teach me to kill, teach me with everything you that you believe
Teach me to kill, teach me with every beating I receive
Teach me violence, and I'll show it to all I seeTried to put my past behind me but it always comes back again
I know the reason but I can't do anything
How can I love when I wasn't shown how to feel
I learned my lesson well, I was taught to killTeach me to kill, teach me with every beating I receive
Teach me to kill, teach me with everything you that you believe
Teach me to kill, teach me with every beating I receive
Teach me violence, and I'll show it to all I seeThese vision paralyze me
You kneeling beside me
I open up my eyes I see you thereI'm looking straight ahead
There, my kids are dead
This isn't just a dream this is realPut me on my knees
Made me beg and plead
But I came back and took your lifeLeft all hurt inside
There's no place to hide
Shove my hands into the flameHit me dad, hit me again, hit me with all your might
I can take it, hit me hard, and I won't put up a fight
12 years of your abuse has turned me into a killing machine
I beat my wife, I beat my kids, I'm teaching them what they needTeach me to kill, teach me with every beating I receive
Teach me to kill, teach me with everything you that you believe
Teach me to kill, teach me with every beating I receive
Teach me violence, and I'll show it to all I see
