Liability (Reprise)

Lorde

(One, two)Baby really hurt me
Crying in the taxi
He don't wanna know me
Says he made the big mistake of dancing in my storm
Says it was poison
So I guess I'll go home
Into the arms of the girl that I love
The only love I haven't screwed up
She's so hard to please
But she's a forest fire
I do my best to meet her demands
Play at romance, we slow dance
In the living room, but all that a stranger would see
Is one girl swaying alone
Stroking her cheekThey say, "You're a little much for me
You're a liability
You're a little much for me"
So they pull back, make other plans
I understand, I'm a liability
Get you wild, make you leave
I'm a little much for
E-a-na-na-na, everyoneThe truth is I am a toy that people enjoy
'Til all of the tricks don't work anymore
And then they are bored of me
I know that it's exciting
Running through the night, but
Every perfect summer's
Eating me alive until you're gone
Better on my ownThey say, "You're a little much for me
You're a liability
You're a little much for me"
So they pull back, make other plans
I understand, I'm a liability
Get you wild, make you leave
I'm a little much for
E-a-na-na-na, everyoneThey're gonna watch me
Disappear into the sun
You're all gonna watch me

Disappear into the sun
