

# Are You Ready (ft Capital J)

## Bassnectar

When the little guns come  
And they come wanna bust guns  
And they run when I come with that warrior song  
Got my back to the sun, when I rise I'm the one, chosen for the day proud  
I'm the warrior's son  
When the little guns come  
And they come wanna bust guns And they run when I come with that warrior song  
Got my back to the sun, when I rise  
I'm the one, chosen for the day proud  
I'm the warrior's son
