

It's R Time

Jeannie Ortega

Ohhhhh come on Mami
Its R Time - Dont be shy, grab a guy and
Goooo
Move your body
Show em how it goes down when your Latinooo
Come on Mami
Its R Time - Dont be shy, grab a guy and
Goooo
Show em how it goes down
De ti nunca yo me olvidare
Ni de la forma que tu te mueves
Este reggaeton quiero bailario con usted
Me vuelve loco como ella se mueve
My time to step up in this world
This reggaeton wit Jeannie
La candela let it burn
So you could jump on this
Or you could stay wit that
But if you didnt know by now
Right here is where its at
So haters step aside
And watch how we gon ride
Ay bendito Im sorry that you tired
But Im a do my thing
Im gonna cross the line
'cause we gon start this party
And we gonna get it right
Ooooh
Oooooooh
Oooooh
Ooooh Ooooh
Ooh
You see N.O.R.E. got part of the track so scream epal
You lookin right in the crib and eat chuleta
Mami que linda she looks like a gringa
But shes 100% puertorriquena
Representado represent puertorriquena
Si te cojo te mojo N.O.R.E. el pollo loco
Crazy chickens busta tre-ocho

Ill hold down and stand by your side
Beef on your block I got niggaz to ride
You see Ill be there
Jeannie be there
Ahora aqui Mami I swear
Jeannie Ortega riding wit Noriega pause
Ay que buena
Pa you gon be screaming Yo te quiero
And when you bop your head to my flow
This shits so crazy you gon want more
I be borriqua
So Papi ven dame tu gasolina
I keep it real wit you Im not a diva
So shake you ass to this all night
No te preocupes que llego tu flaco
Esta noche quiero agarrate
Para darte lo que quiera
A mi me encanta coma bailas
La cintura como la mueves
De un diez le dio un nueve
A ella le encanta mi tigueraje
Y el tumbao que traje
Mami dame de eso un chingo
Contigo llgo hasta el fin
Aterrizamos en san juan en un bote pa Quieesqueya
Lo parqueamos por la playa
Con la toalla en la arena
Lena a le candela
