

Put a Little Umph In It (Re-Recorded)

Jagged Edge

I love it when you grind on me
When you put it right on me
All the faces that you make
All the sounds you create
When you put a little
When you put a little bit of umph in it That's when I lose control
When you put a little umph in it
Start squeezin' and you won't let go When you put a little umph in it
Keep tellin' me how much you love me
When you put a little umph in it
When you put a little bit of umph in it, oh She's so scandalous
But I love everything she do them best
Yeah, yeah, yeah Ain't no competition, so down wit it
And so submissive
I mean all of you, all of you
You're my mission Got my mind in a trance
And my body sure to follow
Ooh, keep doin' that thing you do
Go head and ride I love it when you grind on me
When you put it right on me
All the faces that you make
All the sounds you create
When you put a little
When you put a little bit of umph in it That's when I lose control
When you put a little umph in it
Start squeezin' and you won't let go When you put a little umph in it
Keep tellin' me how much you love me
When you put a little umph in it
When you put a little bit of umph in it, oh I love it when you strip for me
Ain't lookin' for a tip, plus I love the way you
Just shake ya lil' hips for me
And the way you lick ya lips And do them little thangs to get me off
All I wanna do is get you off
Say you wanna be my girlfriend
Baby, you done paid the cost Ooh, ooh, that's all you gonna hear
When the lights go off
Lovin' how you do it
And I don't think there's another girl
In the world for me I love it when you grind on me

When you put it right on me
All the faces that you make
All the sounds you create
When you put a little
When you put a little bit of umph in it That's when I lose control
When you put a little umph in it
Start squeezin' and you won't let go When you put a little umph in it
Keep tellin' me how much you love me
When you put a little umph in it
When you put a little bit of umph in it, oh Hey boy, you're the only one that I want
You're the only one that I
Wanna give it to in every way
I wanna please ya, not tease ya Like this, you say you like it
When I squeeze a little bit
Well, you ain't felt nothin' yet
I hear this beat in my head
Watch me move my hips to it Left to right, right to left
I'ma have ya outta breath
When I put a little umph in it
When I put a little umph in it, oh woah Back and forth, all my love
You gon' want some more
When I put a little umph in it
When I put a little umph in it, ooh I love it when you grind on me
When you put it right on me
All the faces that you make
All the sounds you create
When you put a little
When you put a little bit of umph in it That's when I lose control
When you put a little umph in it
Start squeezin' and you won't let go When you put a little umph in it
Keep tellin' me how much you love me
When you put a little umph in it
When you put a little bit of umph in it, oh
