Carmen Queasy (Money Making Song)

Maxim

My vision is affected by my seizing brain (?)
Too picturesque an image to control this head (?)
My intimate discriminating fears you guessed
My ignorance that you have filled it knows me best
You have the power but you keep it all to yourself
Your ass is decomposing, yes (or something in Latin that ends in es)
Your syntactical insanity is choking me
It's crumbling and crawling all around my feet
And boys have jumped from mountain now they come for meFading me
You have the power but you keep it all to yourself
Your ass is decomposing, yes (or something in Latin that ends in es)
Now your telling me its so damn easy
Try to see yourself Carmen Queasy
Money making is a wonderful thing...money making is a wonderful thing
I don't want to be a marketed baby
Try to see yourself Carmen Queasy
Money making is a wonderful thing...money making is a wonderful thing
I'm filling up some rhythms in a cultural stare
Suffocating, still frustrating like we care
Dissecting all her early lies in her empty head
Just spitting out some morbid dreams and calling it _____
You have the vision but you keep it all to yourself
Your ass is decomposing, yes (or something in Latin that ends in es)
Now your telling me its so damn easy
Try to see yourself Carmen Queasy
Money making is a wonderful thing
Money making is a wonderful thing
I don't want to be a marketed baby
Try to see yourself Carmen Queasy
Money making is a wonderful thing
Money making is a wonderful thingMoney makin', money takin'
We don't have a choice
But we still have a voice
Life is too short
Twice this form and distort
And bring their brains into seminar
Making music making failure
Gonna take back what's mine
Taking hold provoking

My lifestyle you be smokingNow your telling me its so damn easy
Try to see yourself Carmen Queasy
Money making is a wonderful thing
Money making is a wonderful thing
I don't want to be a marketed baby
Try to see yourself Carmen Queasy
Money making is a wonderful thing
Money making is a wonderful thing
