I'll Be Right Here (sexual Lover)

Paulina Rubio

Sexual kind of love gets my heart beating
You're an electric charge and I'm overheating
Whenever you get too close, I reach out and touch you
But you'll never know it though, you look at me but you
You don't know what's in my mind, the way that I need you
I'm gonna make you mine the next time I see you
'Cause I know that I can wait and one day you'll come back
No matter how long it takes, I will be the one that
I'll be right here watching you walk in
And imagining your kisses on my skin
Yeah, I'll be right here looking out for you
And when you come back you're gonna want me too
Soon you'll see 'cause I'm gonna make you listen
Soon you'll see, I'll show you what you been missin'
Because I know what you need and soon you'll discover
I know you were meant for me, my sexual lover
My sexual lover
My sexual lover
Sometimes you gotta choose between one thing or the other
Sometimes you gotta choose between one thing or the other
There's nothing to lose, so why don't you try it?
There's nothing to lose, and you can't deny it
I wanted to make it clear, I wanna remind you
That I'll be waiting here in front or behind you
Wherever you go, whenever you come back
You got to know, that I'll be the one that
I'll be right here watching you walk in
And imagining your kisses on my skin
Yeah, I'll be right here looking out for you
And when you come back you're gonna want me too
My sexual lover
Soon you'll see 'cause I'm gonna make you listen
Soon you'll see, I'll show you what you been missin'
Because I know what you need and soon you'll discover
I know you were meant for me, my sexual lover
I'll be right here watching you walk in
And imagining your kisses on my skin
Yeah, I'll be right here looking out for you
And when you come back you're gonna want me too

Soon you'll see 'cause I'm gonna make you listen
Soon you'll see, I'll show you what you been missin'
Because I know what you need and soon you'll discover
I know you were meant for me, my sexual lover
I'll be right here watching you walk in
And imagining your kisses on my skin
Yeah, I'll be right here looking out for you
And when you come back you're gonna want me too
Yeah, I'll be right here watching you walk in
And imagining your kisses on my skin
Yeah, I'll be right here looking out for you
And when you come back you're gonna want me too
