

Power Of Love

The Early November

Power of love is a curious thing
It makes one man weep and another man sing
Change a hawk to a little white dove
More than a feeling that's the power of love
It's tougher than diamonds and rich like cream
Stronger and harder than a bad girl's dream
Make a bad one good, make a wrong one right
Power of love that keeps you home at night
You don't need money, don't take fame
Don't need no credit card to ride this train
It's strong and it's sudden and it's cruel sometimes
But it might just save your life
That's the power of love
That's the power of love
The first time you feel it, it might make you sad
Next time you feel it, it might make you mad
But you'll be glad, oh, when you've found
The power that makes the world go 'round
Don't need money, don't take fame
Don't need no credit card to ride this train
It's strong and it's sudden and it's cruel sometimes
But it might just save your life
They say that all in love is fair
Oh, yeah, but you don't care
But you know what to do
When it gets a hold of you
And with a little help from above
You feel the power of love
Feel the power of love, yeah
It don't need money, it don't take fame
Don't need no credit card to ride this train
It's tougher than diamonds and it's stronger than steel
And you won't feel nothin' till, untill you feel
You feel the power of love
