You Would Do the Same for Me

Ricky Van Shelton

Please, there's no need for any thank you's
For loving you so faithfully
From the moment that we met
Something in me said that you would do the same for meWhen we walked down the aisle of the chapel
And I promised my love would always be
When I looked into your eyes
It was then I realized, that you would do the same for meTogether through the years of laughter and tears
I have kept that promise honestly
When temptation came along, I was able to be strong
Knowing you would do the same for meIf anyone should ask me why I will love you 'til I die
I'll say you would do the same for me
I'll just say you would do the same for me
