Rocky Mountain Breakdown

Poco

Ooh, stealin', Colorado reelin'
Rocky Mountain breakdownBow to the fiddler, don't be slow
Smoke on the mountain, fire on the bow
Pick out the tune, we love to hear
Patch up the feeling's, mend all the fearOh, what a showdown, toe to toe
First one to holler, last one to go
Change your partners, clap your hands
Stomp your feet at the new barn danceOoh, stealin', Colorado reelin'
Rocky Mountain breakdown
