Hey Little Girl

Beefeaters

Hey little girl
You don't have to hid nothing no more
You didn't do nothing
That hasn't been done before

Little girl thought
She wouldn't get caught you see
She taught she'd get away
With her going out on me

Other girls did it
You didn't think of nothing new
You went out on me
So other girls did it too

You can leave little girl
I don't want you around no more
If you come knocking
You won't get past my door

You got nothing to hide
And everybody knows it's true
Too bad little girl
It's all over for you
