

Been Losing Sleep

Sublime With Rome

Long nights in the hotel
Puttin' miles on the bus now
She's gotta stash on the bookshelf
I grew accustomed to her lifestyle
Your friends are the best friends
And see we gotta stay on top now
'Cause when we fall and we will fall

The climb is hotter than the drop downSomething's come over me
Don't like this sober me
I'm not afraid to say
I don't know what it takes
To make you stayI wanna get high just one more time
Been losing sleep
Don't wanna think, of all the ways to make it right
Somewhere to hide just for tonight
Been losing sleep
Don't wanna think, of all the ways
The ways to say goodbyeDon't say that you warn me
I was never good with advice
Throw dice when I'm lonely
Everybody's got a disguise
Comin' home in the mornin'
I can tell her it's about time
I still lookin' towards ya

Because the moment never felt rightSomething's come over me
Don't like this sober me
I'm not afraid to say
I don't know what it takes
To make you stayI wanna get high just one more time
Been losing sleep
Don't wanna think, of all the ways to make it right
Somewhere to hide just for tonight
Been losing sleep
Don't wanna think, of all the ways
The ways to say goodbyeGoodbye, goodbye
Been losing sleep, don't wanna think of how to say
Goodbye, goodbye

Been losing sleep, don't wanna think of how to sayFlying somewhere for tonight
Then tomorrow I'll become alive

If i could bring you for the ride
You'll have the time of you lifeI wanna get high just one more time
 Been losing sleep
 Don't wanna think, of all the ways to make it right
 Somewhere to hide just for tonight
 Been losing sleep
 Don't wanna think, of all the ways
 The ways to say goodbyeGoodbye, goodbye
 Don't wanna say, don't wanna say goodbye
 Goodbye, goodbye
 Don't wanna say, don't wanna say goodbye
