

Calling

Raphael Saadiq

Tengo tanto que decirte
Pero como empesar
Yo deveras si te quise
Pero ya no puedo mas
Ya no puedo mas
Ya ayyy ya no puedo mas
Ya ayy ya no puedo mas Yes, I'm callin' for you baby
Oh
Please pick up the phone I've called you so many times
And you don't bother
To pick up the line
And how's a man suppose to get along
When his better half wont come back home My love for you will never go away
That's why I need you here today
I Keep trying to call
But you won't answer the phone
You don't wont me no more Oh oh
Yes, I'm callin' for you baby
Oh I'm calling calling calling
Please pick up the phone
Could you please, pickup the phone for me baby
Oh oh My love can you please come home
There where many things, that went so wrong
But if we try, ooh how hard could it be
When there is still love for you and love for me
See my love for you will never go away
That's why I need you, you here today I keep trying to call
But you don't answer the phone
Cause you don't wont me no more, ooh I need you baby
Tengo tanto que decirte
Just come home
Pero, pero donde empesar
No empesar
Yo deveras si te quise
Porvavor te pedo
Que ya no puede masss Yes, Yes,
I'm calling, calling for you baby
There ain't nothing I wont do, if you (plaese) pick up the phone
Can you please answer the phone for me baby

Oh oh
Yes I'm calling for you baby
Oh I need you baby, can you please, please pick up the phone
I love you baby, I love you darling
I love you baby
