## **Bother**

## **Parabelle**

Wish I was too dead to cry
My self affliction fades
Stones to throw at my creator
Masochists to which I caterYou don't need to bother

I don't need to be

I'll keep slipping farther

But once I hold on I won't let go till it bleedsWish I was too dead to care

If indeed I cared at all

Never had a voice to protest

So you fed me shit to digestI wish I had a reason

My flaws are open season

For this, I gave up trying

One good turn deserves my dying You don't need to bother

I don't need to be

I'll keep slipping farther

Once I hold on I won't let go till it bleedsWish I'd died instead of lived

A zombie hides my face

Shell forgotten with its memories

Diaries left with cryptic entriesAnd you don't need to bother

I don't need to be

I'll keep slipping farther

But once I hold on I won't let go till it bleedsYou don't need to bother

I don't need to be

I'll keep slipping farther

But once I hold on I'll never live down my deceit
