

Play With Fire

The Birthday Massacre

Her House Of Red Light
Burns Like
Your Wanting Eyes
The Way Is A Way
When We Say
When We Say We Will
Play With Fire (x2) And Every Night
The Red Light
Will Burn Like Your Eyes
Our Time Is Never
Cause We'll Live
Forever We Will
Play With Fire (x2) (Interlude) We Will
Play With Fire (Fire... Fire... Fire)
We will
Play With Fire (x3)
