

Running

Jully Black

We belong to each other
And we are the people
Sharing all different races
'Cause we are all equal
Can't forget there's a fight now
We don't need a sequel
We just gotta keep moving
(?) is crucial So get ready I'm running
Yes I'm running for the right now
Can't stop me 'cause I'm running (Running)
Yes I'm running for the fight now
Won't stop me 'cause I'm running (I'm running)
Hey, hey, hey...
Can't stop me 'cause I'm running (Running)
Hey, hey, hey...
Won't stop me 'cause I'm running Our liberty and our freedom
Is what we should stand for
The situation is hostile
And people need answer
Seconds away from rebellion
We gotta do something
Everyone knows you can change this
But you keep on hiding and denying 'Cause I'm running
Yes I'm running for the right now
Can't stop me 'cause I'm running (Running)
Yes I'm running for the fight now
Won't stop me 'cause I'm running (I'm running)
Hey, hey, hey...
Can't stop me 'cause I'm running (Running)
Hey, hey, hey...
Won't stop me 'cause I'm running Running for the right for revolution
Running 'cause it's time for evolution
Running running for our heart
Running running time to start
You and I we're gonna make a team now
Me and you we're running for the dream now
Running running for our heart
Running running for our love 'Cause I'm running
Yes I'm running for the right now

Can't stop me 'cause I'm running (Running)
Yes I'm running for the fight now
Won't stop me 'cause I'm running (I'm running)
Hey, hey, hey...
Can't stop me 'cause I'm running (Running)
Hey, hey, hey...
Won't stop me 'cause I'm running
