Shesmovedon (Deadwing ver.)

Porcupine Tree

You move in waves
You never retrace
Your newest craze
Straight out of the Face by the bed unreadI'm left behind
Like all the others
Some fall for you
It doesn't make much difference if they doShe changes every time you look
By summer it was all gone, now she's moved on
She called you every other day
So savor it it's all gone, now she's moved onSo for a while
Everything seemed new
Did we connect?
Or was it all just biding time for you?
