

# Shesmovedon (Deadwing ver.)

## Porcupine Tree

You move in waves  
You never retrace  
Your newest craze  
Straight out of the Face by the bed unread I'm left behind  
Like all the others  
Some fall for you  
It doesn't make much difference if they do She changes every time you look  
By summer it was all gone, now she's moved on  
She called you every other day  
So savor it it's all gone, now she's moved on So for a while  
Everything seemed new  
Did we connect?  
Or was it all just biding time for you?
