Saxon

Colour fades away
With a light descending on the day
Midnight sees your friend
Oh could you call his name
Would you know his nameWell I dream so bold
But, God only knows colour fades away
Good times here today
Meanwhile you could say, I close my eyesColour fades away
Now tell me who are you for anyway
Midnight sees your face
Will it be a beginning in the endNow God only knows
What we've put in that paint
God only knows colour fades away
Good times here today, almost every day
Meanwhile you would say, I close my eyes
And dream of only yesterdayColour fades away
Good time here today, almost everyday
Meanwhile you could say that I close my eyes
That I've closed my eyesColour fades to gray
Midnight
