

# Tower Of Strength

## Skin

(M. Gray)

I can't make you love me, but I'm gonna try, I'm gonna try  
And I can't make you hold me, but I'm gonna try, I'm gonna try  
Starting out just as friends, I felt my feelings grow  
Every day a little more, and now I can't let go  
I say you, you're all that I want, you're all that I need, a tower of strength  
I say you, you're all that I want, you're all that I need, now 'til the end  
I can't make you love me, but I'm gonna try, I'm gonna try  
Wrap your arms around me, and close your eyes, oh-oh  
Baby close your eyes, oh-oh-oh  
You gotta hear me sayin'  
You, you're all that I want, you're all that I need, a tower of strength  
I say you, you're all that I want, you're all that I need, now 'til the end  
You, you're all that I want, more than I need, a tower of strength  
Baby you, you're all that I want, more than I need, now 'til the end  
Oh, if I'm dyin' (a tower of strength), as I'm your man you are my woman  
You're all that I need (a tower of strength)  
You said, you said you give me love, love  
Love, love, to love (a tower of strength)... (to fade)
