

# I'm Yours

## Trell Blaze

### 1ST VERSE

Aint no other way to say it Im in Love and I give my heart to you  
They said wed never make it wed fall apart but, Baby, here we are  
Through sunshine and rain, I know that we can weather forever

CHORUS

When we were apart, it felt like my Life was gone  
But then you followed my tears and you found your way back home  
And youll never leave againleave againwhy would you leave again?  
Ill be the one on which you can dependyou can depend, Baby, with me youll win

Forever more Im Yours

2ND VERSE

How far we could grow, we may never know cause when our life is over youll still be mine

Never done forever ONE our Love will break the rules of Time  
Through the sun and the rain, I know we can weather forever

CHORUS

BRIDGE  
If you follow all the pain I felt from the time you left, it leads right back to me

And Ill be waiting for you with a smile

And I will say, Hello there. Where have you been? Never mind, I dont care. Just come on in.

I will kiss your lips and you will never leave again

CHORUS X2

ADLIBS

Girl you know I feltknow I felt so wrong

But then you foundfound. Girl you found your way

And you will never leave againagainyea

Baby Girl, you know I cant live without ya, BabyBaby youve got my promise forever more Im Yours
