

# More Bacon Than the Pan Can Handle

Mike Doughty

Fugitives on the galleons, I go  
More bacon than the pan can handle  
Emperors and the salamanders  
More bacon than the pan can handle  
Nuggets and the heliotropes, I go  
More bacon than the pan can handle  
Party games and the ocean liners  
More bacon than the pan can handle  
Utility man  
Porquoi  
Utility man  
Chocolate bar  
Utility man  
Porquoi  
Utility man  
Chocolate bar  
State of grace and the ginger root, I go  
More bacon than the pan can handle  
Motionless and the circumstances  
More bacon than the pan can handle  
Overland and the easternmost, I go  
More bacon than the pan can handle  
Hoop skirts and the bubbly strangers  
More bacon than the pan can handle  
Utility man  
Porquoi  
Utility man  
Chocolate bar  
Utility man  
Porquoi  
Utility man  
Chocolate bar  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah  
Theres a little give to it  
Theres a little give to it  
Theres a little  
Theres a little give to it  
Theres a little give to it  
Utility man, utility man, utility man  
More bacon than the pan can handle  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah  
Better the devil you know  
Better the devil you know  
Better the devil you know  
Better the devil you know  
Better the devil you know  
Better the devil you know
