Ave Maria

Mario Lanza

A ave Maria
A ave Maria
Oo oo oo oo
Were taking over the station
Survivors of a different kind
Messages of old dimensions say that were wise
A ave Maria
A ave Maria
Oo oo oo oo
Sensations are out on parade now
Thoughts have ended up left behind
Going round in circles fighting hidden desires
A ave Maria
A ave Maria
The signals are there to read
It's never that hard to see
Stop wasting your time you will find
Natures not always kind
A ave Maria
A ave Maria
A ave Maria
A ave Maria
A ave Maria
A ave Maria
