I Love My Life

Carl Thomas

Her little blond hair's blowin'
She's swingin' while her daddy's mowin' the grass
And the dog needs a bath
But he's chasing the cat up a tree
I'm lookin' out the window
Happy just watching my world go around
And I think to myself
How lucky can a girl be
I've got everything more than I ever dreamed
I love my life
I thank God for all I have
And that I love this man who loves his wife
I love my life
I love my life
Twenty kisses, goodnight
Turn the little butterfly night light on
'Til the monster is gone
And she's finally fallen asleep
We tiptoe downstairs, cuddle up
And we kiss in the big chair
And I smile and you whisper
Now it's just you and me, yeah
I've got everything more than I ever dreamed
I love my life
I thank God for all I have
And that I love this man who loves his wife
Yeah, I love my life
Blue and pink in the nursery
Gold and silver anniversaries
Dancing in the living room
Our little girl and me and you, yeah
I've got everything more than I ever dreamed
I love my life
I thank God for all I have
And that I love this man who loves his wife
Yeah, I love my life
I love my life, oh, yeah I do
