The World Of You And I

Stryper

You're out there all alone
Searching endlessly for a home
You're happiness has gone away
Then you hear somebody sayWe can have what everybody dreams about
We can say hello and never say goodbye
Love can last forever without any doubt
In the world of you and IYou've go to keep your faith
Follow me I'll lead the way
There doesn't have to be any pain
Forever you and I will reignWe can have what everybody dreams about
We can say hello and never say goodbye
Love can last forever without any doubt
In the world of you and I
