

Green Eyes

Coldplay

Honey you are a rock
Upon which I stand
And I come here to talk
I hope you understand That green eyes
Yeah, the spotlight shines upon you
And how could
Anybody deny you? I came here with a load
And it feels so much lighter now I met you
And honey you should know
That I could never go on without you Green eyes Honey you are the sea
Upon which I float
And I came here to talk
I think you should know That green eyes
You're the one that I wanted to find
And anyone who
Tried to deny you must be out of their mind Because I came here with a load
And it feels so much lighter since I met you
Honey, you should know
That I could never go on without you Green eyes, green eyes
Oh, oh, oh
Oh, oh, oh
Oh, oh, oh
Oh, oh, oh Honey, you are a rock
Upon which I stand
