

# The Best

## Bonnie Tyler

(holly knight/ mike chapman)

Producer for bonnie: desmond child I call you when I need you

And my heart's on fire

You come to me, come to me

Wild and wired

You come to me, give me everything I need You bring a lifetime of promises

And a world of dreams

You speak the language of love

Like you know what it means

And it can't be wrong

Take my heart and make it strong Cause you're simply the best

Better than all the rest

Better than anyone

Anyone I ever met

I'm stuck on your heart

I hang on every word you said

Tear us apart

Baby I would rather be dead Deep in your heart

I see the start

Of every night and every day

And in your eyes I get lost

I get washed away

Just as long as I'm here in your arms

I could be in no better place

Cause you're simply the best
