

# Secret Combination

Randy Crawford

I've got a secret combination  
I'm gonna use it to lock away your love  
I've got a standing obligation  
Never to change it 'cause then I'd lose your love All the girls in town are trying  
To get on your good side  
They don't know that you ain't buying  
Now matter how they try, I know they'll never find out My secret combination  
(Secret combination)  
I'm gonna use it to lock away your love  
I've got a standing obligation  
Never to change it 'cause then I'd lose your love I bet they'd like to know my secret  
But I'm not telling, no  
My lips are sealed and I'm not speaking  
It's my intention, never gonna mention My secret combination  
(Secret combination)  
I'm gonna use it to lock away your love  
I've got a standing obligation  
Never to change it 'cause then I'd lose your love I'm not gonna tell anybody  
Never gonna say a single word  
It's my intention, never gonna mention My secret combination  
(Secret combination)  
I'm gonna use it to lock away your love  
I've got a standing obligation  
Never to change it 'cause then I'd lose your love I don't want to lose your love  
(I've got a secret)  
I don't want to lose your love  
(Secret combination) I've got a secret, yeah, yeah  
Ain't gonna let it out, no, no  
I've got a secret
