

Hooligan's Holiday

Motley Crue

I'm on a holiday, hooligan's holiday
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Check it out Drop dead beauties, stompin' up a storm
Lines of hell on our face
Bruised bad apples, crawling through the night
Busted loose runaway, runaway Always, always a thrill without a motive
Thirty days just a haze
Everybody wants a piece of the action, noway
Everybody wants a piece of the pie, yeah, yeah We're on a holiday, hooligan's holiday
I'm on a holiday, hooligan's
I gotta get away, hooligan's holiday
We're on a holiday, hooligan's, yeah Cross eyed derelicts are coming, an iron horse between our legs
T-t-tattoos, black manes flowin', everyday's a holiday
Everybody wants a piece of the action, yes they do
Everybody wants a piece of the pie, they want a piece of me We're on a holiday, hooligan's holiday
I'm on a holiday, hooligan's
I gotta get away, hooligan's holiday
We're on a holiday, hooligan's [Incomprehensible] Modern times an' new bloods pumpin'
Only the strong survive
Everybody wants a piece of the action, noway
Everybody wants a piece of the pie, I got to get away We're on a holiday, hooligan's holiday
I'm on a holiday, hooligan's
I gotta get away, hooligan's holiday
We're on a holiday, hooligan's We got to get away
Everybody wants a piece of the action
We better get away
Everybody wants a piece of the pie [Incomprehensible] We're on a holiday, hooligan's holiday
[Incomprehensible]
