

Don't Have Love (Performance Track)

Holly Starr

Well I, don't know everything
And I, I don't have all the answers
But God knows just what I need
And He keeps on showing me
Through all the madness
It comes down to this You can have money, and cool friends, a ring on your left hand
But it's never gonna be enough, if you don't have love
You don't have love
You can have a fast car, a mansion, and everyone's attention
But it's never gonna be enough, if you don't have love
You don't have love, you don't have love If you don't have love We're all made in the image of God
But all this baggage that we carry, hides who we really are
A picture of His love, designed to shine like gold, so
No matter where you go You can have money, and cool friends, a ring on your left hand
But it's never gonna be enough, if you don't have love
You don't have love
You can have a fast car, a mansion, and everyone's attention
But it's never gonna be enough, if you don't have love
You don't have love, you don't have love Love's never selfish, love's never vain (you don't have love)
Love doesn't criticize, love doesn't blame (you don't have love)
From the beginning, through every age
Love is the one thing that's never gonna change Oh oh oh oh, oh oh oh oh, oh oh oh oh, oh... You can have
money, and cool friends, a ring on your left hand
But it's never gonna be enough, if you don't have love
You don't have love
You can have a fast car, a mansion, and everyone's attention
But it's never gonna be enough, if you don't have love
You don't have love You can have money (oh o-oh)
But it's never gonna be, never gonna be enough, enough
You can have a fast car, a mansion, and everyone's attention
But it's never gonna be enough, if you don't have love
You don't have love, you don't have love If you don't have love
Then you've got to, got to have love
