

Lift Me Up (Almighty Edit)

[Geri Halliwell](#)

Watch the first light kiss the new world
It 's a wonder baby, like you and I
All the colors of the rainbow
Going somewhere baby, like you and I It 's going to be alright
But when my sky clouds over[Chorus]
(Lift me up)
When the day is over
(Take me up)
When the sun is going down
(Show me love)
I will be your angel now
(Lift me up)
When the lights are fading
(Take me down)
When I'm flying way up high
(Show me love)
And i 'll be your angel for life
Your angel for life Like the seasons ever changing
Everlasting baby, like you and I It 's going to be alright
But when my sky clouds over[Chorus]
No matter where we run
Who knows what we will become
Is there a world we know
Where life will naturally[Chorus]
